Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Friday 29 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Further rain at times but drier later.

Today:
A largely cloudy morning with outbreaks of rain, perhaps heavy at times, but becoming drier and brighter along the west coast. Rain should gradually clear eastwards during the afternoon with some late brightness. Maximum temperature 12 deg C (54 deg F).

Tonight:
Any lingering rain in the east will quickly clear then dry with clear spells. Turning chilly in the glens with patchy fog. Rain will then spread north again after midnight. Minimum temperature 4 deg C (39 deg F).

Saturday:
Heavy rain in the morning will clear away north followed by bright spells and a few showers. Becoming chilly in the evening under clear skies. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Unsettled with further spells of heavy rain or showers on Sunday and Monday. Turning somewhat colder with sunshine and a few showers on Tuesday. Windy at times.
